SIX WEEK SERIES ON GOOGLE MEET

Neighbors will be encouraged to socially connect with others while expressing themselves musically through a variety of genres, mostly accompanied by live music on the guitar or ukulele.

Family members are encouraged to join their loved one during these interactive events to assist with new memories together.

Singing, instrument play, music based games and song writing will be facilitated by a music therapist who is trained and experienced working with individuals of all ages with intellectual & developmental disabilities plus mental health conditions.

Take Home Kits will be available to registrants for pick-up at Charlotte Mecklenburg Library - West Blvd. Branch
